PROJECTS

Nxt Trendz

🌐 <https://svinxttrendz.ccbp.tech/>

ECommerce Clone

- Rolled out an innovative e-commerce platform patterned after Amazon and Flipkart
- Designed pages for Login, Products, and Product details with React Router and React components
- Ensured user security through JWT tokens, REST API calls, and local storage

Interactive Quiz app

🌐 <https://interactive-wuiz-app.vercel.app/>

Developed an interactive quiz app using HTML, CSS, and JavaScript that provides users with an engaging experience. The app features a countdown timer that adds an element of challenge, instant feedback on answers to enhance learning, and displays wrong answers to help users identify areas for improvement.

Recipe Management App
